September 2020

Welcome Back!

Welcome to the 2020-2021 school year! We are very excited to welcome back all of our returning students and to welcome all of our new students. Union East is a great place to learn and grow!

We continue to live our lives the Warrior Way at Union East and in our school community. Our theme for this year is "Lead with Kindness." We will be hosting Kindness days for Union East on Tuesday and Thursday each week. We encourage all of our students to participate. If you are interested in purchasing a new kindness shirt, check out the link to our [online store](#). The sale ends on September 30th.

Our students in hybrid A, B and C will have outdoor recess each day. Our students will be going outside unless there is extreme weather (extremely hot, cold, rain or snow). **We ask that our students come dressed to go outside everyday.**

We are very thankful for our PTA and their generous support. In addition to school supplies, they have provided birthday treats for all student birthdays. Unfortunately, at this time, we are unable to accept any other birthday treats to share.

THANK YOU!

Thank you for all of your patience and flexibility as we have kicked off our school year. The beginning of our school year is always busy getting to know our students as readers and mathematicians as well as building classroom community. Formal reading and math groups will begin, both remotely and in person, in the coming weeks.

Student Wellness

It is expected that each family will follow the "Can my child go to school today?" flowchart each morning before attending school. If your child should show any Covid-like symptoms we ask that you contact the Union East Nurse. If your child is sent home from school due to showing symptoms, it is important we follow the procedure to include contacting your child's doctor. Please reach out to one of our school nurses at 686-3623 with any questions.

Facebook

Be sure to follow Union East Elementary School on Facebook for regular updates!
