Week in Review (2/6-2/10)

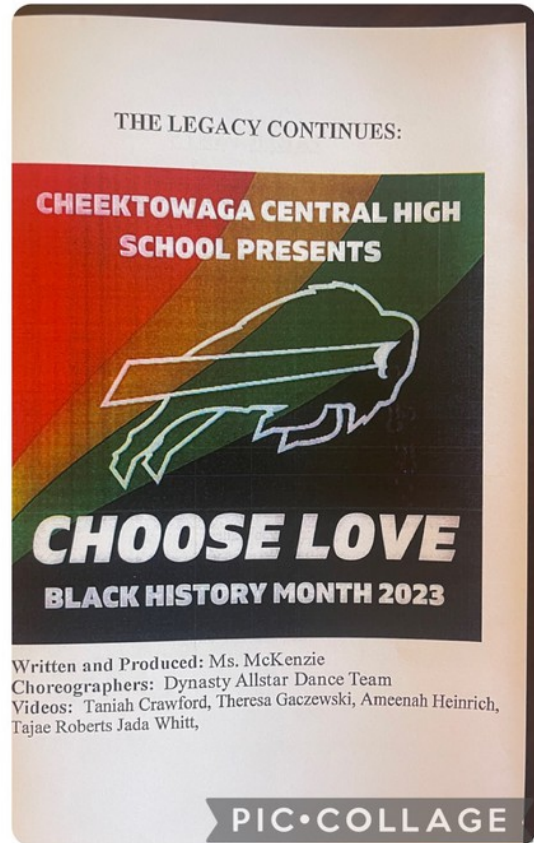

Quote of the Week

"We must accept finite disappointment, but never lose finite hope." - Dr. Martin Luther King Jr.

Choose Love

On February 9th, Cheektowaga Central celebrated its 15th Annual Black History Month Presentation. The Auditorium was full, standing room only, with families, community members, alumni, students, and staff as our district united. Our K-12 students showcased their talents and the importance of diversity, equity, and inclusion.

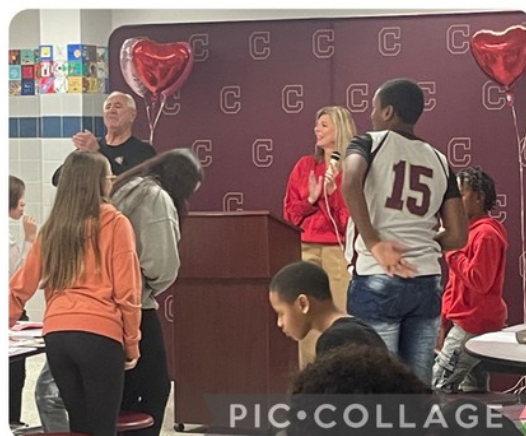

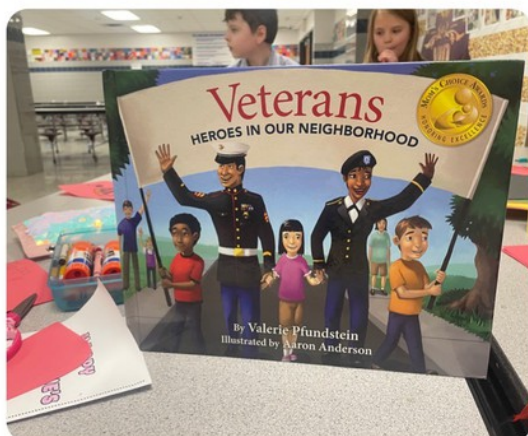

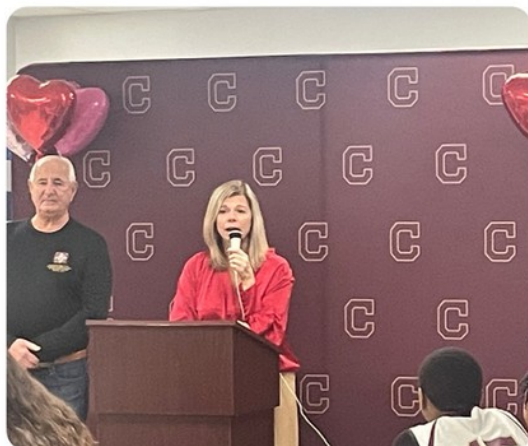

Mr. Quigley's Pre-K promoted peace at the Black History Assembly

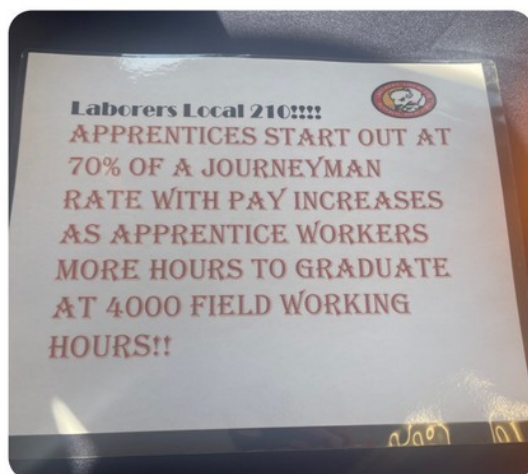

Assemblymember Wallace recognizes Valentines for Veterans

Assemblymember Monica Wallace and Commander Jim Wier of the Lancaster VFW visited Cheektowaga Central in appreciation of Valentines for Veterans. Over the last two weeks our 8th grade English classes partnered up with students from Union East to hand make hundreds of cards for our Veterans. The Valentines will be distributed to veterans in Cheektowaga and throughout WNY as well as being sent to the USS Leyte Gulf to help sailors on the ship celebrate Valentine's Day while they are serving our country.

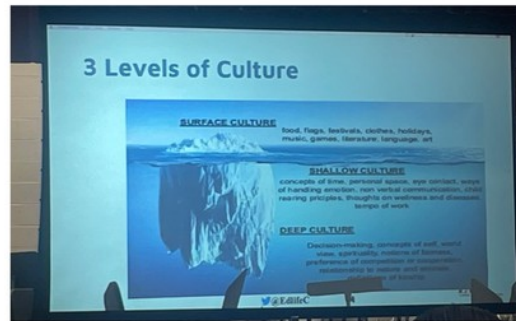

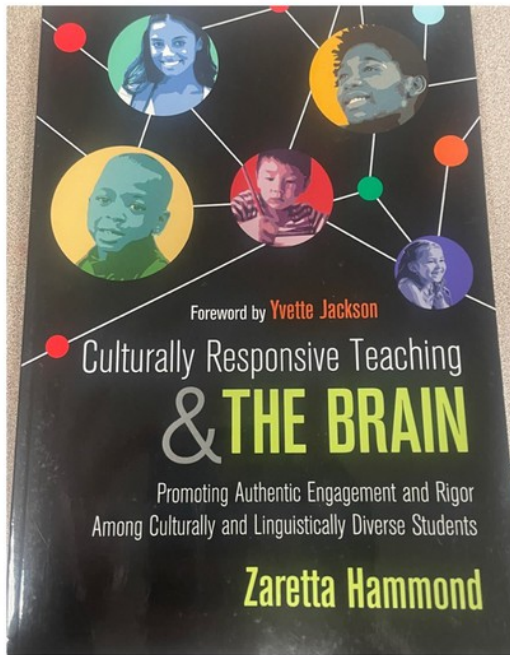

May the Force Be With You...

Workforce Wednesday is in full force! In the High School, each week an organization from the community visits student lunches promoting the opportunities they offer to our students upon graduation. This week we welcomed Laborers Local 210.

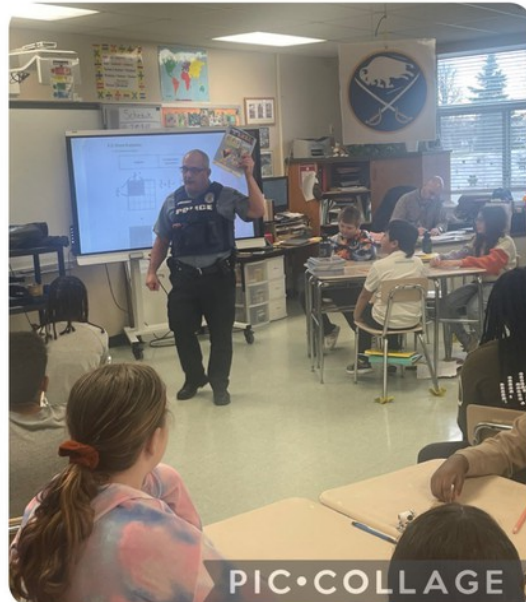

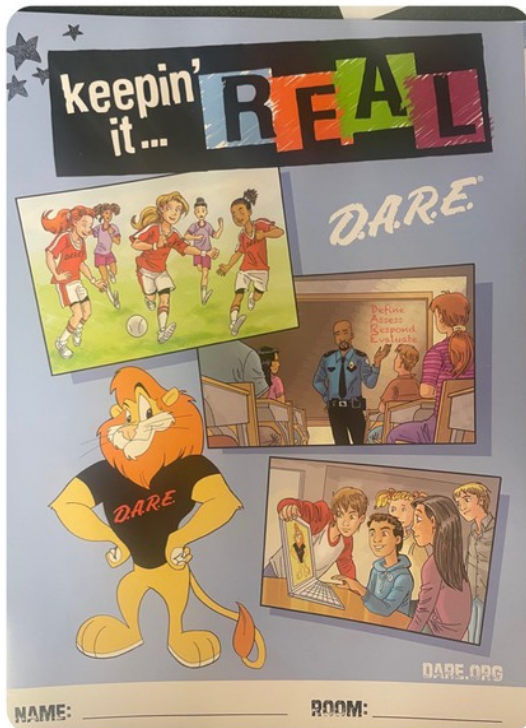

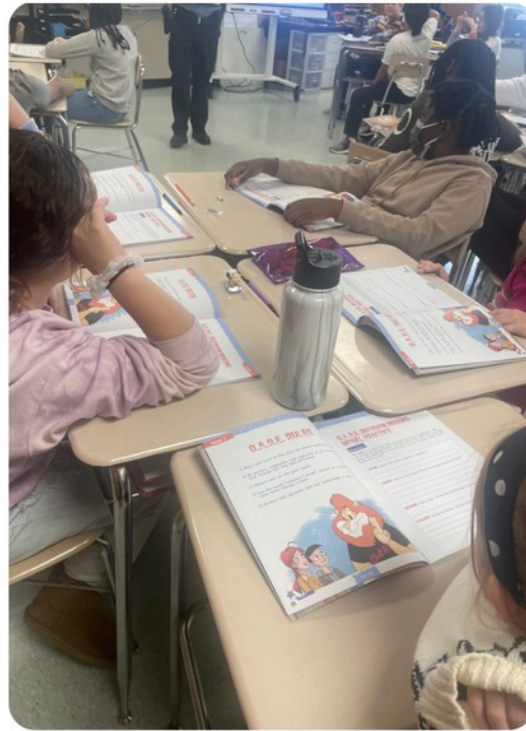

Lifelong Learners...

Our elementary staff had an opportunity to participate in a presentation focused on promoting authentic engagement and rigor among culturally and linguistically diverse students.

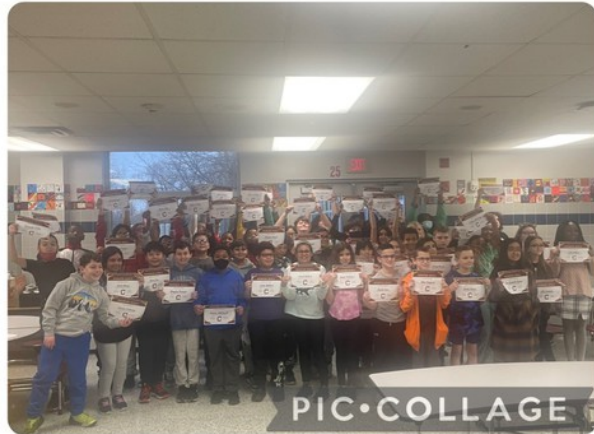

Community Connect with CPD...

Cheektowaga Central School District is working hand in hand with the Cheektowaga Police Department to welcome the Drug Abuse Resistance Education (D.A.R.E.) program to our district. Officer Nazzarett received a warm welcome from our 5th grade classes this week!

Certificates and Waffles...

Our 5th and 6th students who earned Merit and Honor Roll for the 2nd Quarter were honored with a certificate and a special breakfast this week. Four High School students attended the ceremony giving an inspirational message on what opportunities will be available to them if they continue with the road they are currently on. Congratulations to all students who were honored!

On Time and Ready...EVERYDAY...

Congratulations to the 5th grade students who received Perfect Attendance for the 2nd Quarter!

Wheelin' Warriors...

Our littlest Warriors enjoying Trikes outside in February!

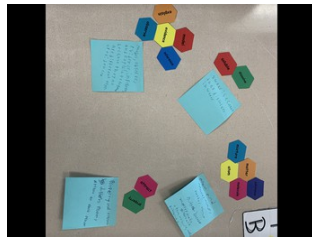

Advanced Art students printed their social injustice prints!

Time to Shape Up...

During a hexagonal learning activity, students worked with partners or small groups to determine the association between science vocabulary words. Students wrote the connection between words on post it notes.
