Week in Review (2/27-3/3)

## March's Character Word of the Month

As it seems like society is becoming more complex, human words and actions are often misunderstood or even hurtful. Our goal is to teach and model FORGIVENESS to our students. The end result we are looking for this month is that our students have the ability to FORGIVE by making an intentional decision to let go of anger towards others.

## Cheektowaga Central High School Presents...

## Multilingual Family Night

Our district hosted a Multilingual Family Night this past week. Many students and their families gathered for dinner and learned about services available in the Cheektowaga community.

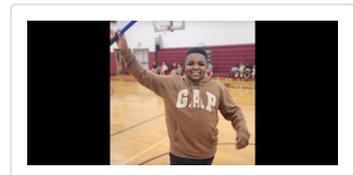

## Scurry Along...

In Miss Barbati's and Mr. Haberl's Physical Education classes students played a lead up game to floor hockey called scurry hockey.

- \* Students watched clips of the USA Men's Ball Hockey Team and the Buffalo Sabres to get an idea of how the game is played.
- \* Mr. Haberl hopped in the game and scored a goal!
- \* 6th grader Aileen Davis scored FOUR goals in class

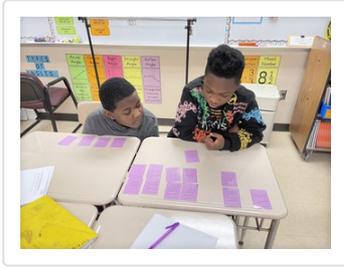

Congratulations Barrett for helping his team win their scurry hockey game in Phys. Ed. class. Barrett scored an amazing goal and displayed incredible sportsmanship throughout the game!

## Perfect Match

This week, in Mrs. Lewis' 5th grade classes, students completed a matching activity. They had to read a situation and match it to the expression. This was tricky, students had to determine how much is being shared and into how many groups.

## Productive Argument

Mrs. Meller's 5th graders are in the argument writing unit that discusses whether or not chocolate milk should be served in school. This is a video of 5th grader, Derek Deane explaining how he's evaluating evidence by making a connection to Cheektowaga Middle School. He was a part of the "teaching" portion during writer's workshop today based on his conversation with Mrs. Meller yesterday.

## Green Eggs n' Ham...

Our Youngest Warriors Celebrating Dr. Suess Week in Gross Motor. They enjoyed "working" and "driving" through Suess Town. Kids were busy making and serving Green Eggs and Ham in the same named Diner! They visited The Suess Library and tried on Hats at the CAT IN the Hat HAT Shop. They bought toys at The Grinch Christmas Store, got fuel at The Places You Will Go Gas Station, visited The One Fish, TWO FISH, Blue Fish, Red Fish Pet Shop, washed their cars at McElligots Pool, and some students fixed their cars at at The Go Dog Go Garage! The kids took turns helping customers as well as navigating the town on their Trikes! So much excitement with Suess on the Loose!

Color Your World...

## Build a Bear...

This week UE is participated in "I Read Across America." They joined in the fun by making bookmarks and read with our friends and stuffed friends ("Bring a Favorite stuffed friend").

George of the Jungle...

Mrs. Huttenlocker and Ms. Speyer's class are creating Jungle butterflies using Neon colors for the upcoming art show.

3rd graders are making Jungle Snakes using Neon paint and crayons for the upcoming Art Show.

4th graders are creating a Toucan Jungle Artwork for the upcoming art show using Neon Colors.
