COVID-19 ALTERNATIVE FEEDING PLAN

Dear Parents and Guardians,

The Cheektowaga Central School District's Food & Nutrition Department will provide an opportunity for families to drive up and pick up meals for children in their family. **Meals will be provided daily at Cheektowaga Middle School only.** Children do not need to be present for their meals to be provided.

From 8am-11am food pick up will be at the Middle School traffic loop Door 26 on a daily basis. To avoid congestion we are asking all vehicles to enter the Campus Main Entrance and continue around the High School until you reach the MS loop. Once you receive your meals then proceed to the Union Road exit that is closest to the Middle School. You will be required to make a right hand turn only on Union Road. If all vehicles follow this plan then there will be one way traffic and we can minimize potential accidents.

This program will be solely for food pick up and **no individuals will be allowed to enter either building.**

We encourage families to continue to be proactive in reducing the risk of COVID-19 by not congregating at the school site once meals have been distributed, continue to wash your hands often, sneeze or cough into a tissue and stay home if you are sick.

Sincerely,

Mary Morris
Superintendent of Schools
