Dear Cheektowaga Families,

Effective June 7, 2021, New York State Department of Health [updated guidance](#) states face masks are not required to be worn outdoors on school grounds, including during outdoor school sports. However, Responsible Parties may choose to require face masks outdoors on school grounds subject to the parameters of this guidance. No student, teacher, staff member, or visitor may be prevented from wearing an acceptable face mask voluntarily on school grounds.

Sincerely,

Mary A Morris
Superintendent
