

## Cheektowaga Central Middle School Welcome and Mission

Welcome to Cheektowaga Central Middle School's Home Page. CCMS is a comprehensive middle school that serves grades 5 through 8. The CCMS curriculum is taught by a highly qualified staff, and provides students with stimulating opportunities to master both required and elective studies. Our students choose from a wide variety of challenging and meaningful co-curricular activities to help them grow and develop as they prepare for high school. CCMS also features fall, winter, and spring athletic opportunities in 7th and 8th grade.

At CCMS we are dedicated to nurturing our students to become positive contributors to society. To be people who think independently and creatively, who are resilient, and know how to solve problems. We are proud of our students. They put forth effort each day to achieve at a high level and make significant contributions to our community. Just as important as academic success, we place a heavy emphasis on civility, citizenship, and character development. Our school is guided by four cornerstones of well-being, structure, relationships, and engagement.

Thank you for your interest in our school. This website is designed to help you learn more about CCMS and the community. Please join us as we work together to create a bright and successful future for all of our students.

Sincerely,

Chris Salinas, Ed.D.
