"Where Character, Curriculum & Community Connect"

Summer 2023

PRINCIPAL'S CORNER

With summer in full swing, I hope everyone is getting opportunities to enjoy family & friends, as well as some time to relax. It has been a busy summer for learning & working at the High School.

Now is a good time to remind students that each school year they get to reinvent themselves. What they accomplished last year may have been great, but no one can rest on past accomplishments. Some may have not done their best last year, that's okay too; with each new school year everyone gets a fresh start. I encourage all students to participate in our school community this year by becoming involved. We want everyone to show their school pride and to be upstanding citizens.

I am honored to be your principal and am excited about this upcoming school year. Your administrators, teachers, counselors, and I are currently attending workshops, creating the master schedule and planning for a successful year. Our outstanding building & grounds staff and secretaries are making sure that all of the important behind-the-scenes effects are in top running order and ready for September. I invite parents, guardians and family members to get involved both here at the high school and in partnership with your child's educational experience. Working together, we will make 2023-2024 a great school year!

if you're looking for that
one person that will change
your life, look within.

Everything you need,
your courage, strength
compassion and love;
everything you need is
already within you.

Free yourself from the complexities
and drama of your life. Simplify. Look
within. Within ourselves we all have
the gifts and talents we need to fulfill
the purpose we've been blessed with.

LOVE YOURSELF ENOUGH
TO LOOK WITHIN.
THE JOURNEY OF HEALING
BEGINS IN YOU.
